Sandra,

Well, I guess the year is over. I can truthfully say that I had a blast with you - in English and especially in gym. I will never forget all of the fun that you and I had with Joni - too.

I want to wish you all of the luck in the world. You are a doll and so is Ray. Stay with him always, you make a perfect pair.

We are finally Juniors - I feel as if it is still Sept. and already it is June & school is out.

Just think of all the fun we are going to have as Juniors and Seniors.

Lots of Luck in all
Friendships always!

We dedicate to you, Mr. Poe, the '58 Pirate.
Edgar A. Poe, Principal

The senior class of 1958 will always remember you, Mr. Poe, for your years of friendship, guidance and co-operation. Throughout our years in PHS, we have always been able to come to you with our problems and have been assured of your complete understanding and encouragement.

You will also be remembered with respect and admiration for your successful handling of problems arising during the complete rebuilding of our high school. In the face of all these difficulties, you were always cheerful and serene. PHS has been fortunate in having such strong leadership during this trying period.

Though you are leaving PHS this year, we know that the high school's loss is the district's gain. Many undergraduates will miss you. Yet we are sure that they join with us in congratulating you on your promotion.

To you we dedicate this yearbook with gratitude that we have had such able leadership during our high-school years.

Sandra,
I really enjoyed having you in Gym.
I'm going to miss everyone.
Good luck always

For Seniors Only!

Six seniors who are in the foreground are admiring Frank Paul Lazio's car, which was being painted in auto shop.

Of the 689 students who last September began the new year at Pittsburg high school, 185 enrolled for the last time. The weather was hot and sticky, and cottons were the thing. Friends who hadn't seen each other during the summer months were reunited, and everyone settled down to the busy schedule of school life.

The first rally came on September 20, with yells led by Andrea Davi, Roseanne Cattolico, and Carol DeStefano. The pom-pom girls had their first chance to perform with new routines. The next day the Pirates and their rooters journeyed to Monterey for the annual game with the Toreadors.

Increasing classroom space on the campus was the handsome new arts and crafts wing. Girls were thinking in unfavorable terms of the new swimming courses required as a regular part of gym. The first issue of the **Galleon** announced that Pittsburg had eight new teachers on the staff, all men.

October was the month for football and the first **Pirate** deadline. After much confusion and without the presence of the regular yearbook advisor, Mrs. Roxie Gibbs, the staff was finally able to meet its requirements.

Then came colder weather and the end of football season, the Pirates again taking the championship with a 61-7 win over Antioch. The exchange rally with Antioch was a success; Principal E. A. Poe commemorated it by leading a yell.

January brought wind, rain, and final examinations. With the election of Miss Pirateer, the spring semester began.

Seniors found they had a busy schedule. The Junior-senior party came in February.

The Senior Ball Committee early began work for the most important dance of the year, while other senior committees planned for such events at Ditch Day.

All looked forward to June 13 with mixed feelings, happy to be on their own but sad that they were saying final farewells to PHS. Some like Nancy Cardinale and Frances Lucido planned on marriage after graduation while others including Dan Alfaro, Josephine Mercurio, and Theresa Guzman planned on attending college. The seniors looked to the future with bright, high hopes and happy moments to remember.

Entertainers at the Antioch-Pittsburg exchange rally, one of the liveliest of the year. Mr. Fornwald and the band are at the left.

The class of '59 has just completed its second year at Pittsburg High School.

As during their sophomore year, the students continued to prepare for the future. Realizing the importance of a good education, most worked earnestly to receive good grades.

One of the most memorable events of the year was the Junior Prom with the theme of Winter Frolic. This theme was carried out by snowmen and snow dancers decorating the cafeteria. A good crowd danced to the mambo band of Frank Lombardo.

President Frank Matamoros and his committees started working on the Junior-senior party in January.

As the sophomores cast an eye in retrospection they will have many happy memories. To sophomores high school life is new, exciting, and adventurous.

Sophomores, as well as the rest of the student body, attended a first-day assembly where Mr. Poe welcomed the sophomores and informed them of the rules of the school.

For many sophomores the Junior Prom was their first formal dance, another exciting experience. The second dance of the year was the Sophomore Hop and Crowning of Miss Pirateer. Bruce Carlson began in January to plan decorations for the February 28 Sophomore Hop.

The committee chairmen, under the direction of Mr. Joseph Lee, were Bruce Carlson, decorations; Sharon Rebstock, publicity; Betty Gobbey, favors; Jackie Knap, budget; Grace Ann Russo, refreshments; Diane Coray, entertainment; and Bart Carlson, cleanup.

Mr. Joe Berkich and his third-period world history class.

A large group of students, mostly young women, are posed in many rows for a yearbook photo. They are dressed in mid-20th-century attire, including sweaters, blouses, and dresses. Some students have handwritten names in blue ink next to them. The title 'Activities' is written in a large, elegant script at the top right.

Student Council

Ken Lucido, Fall President

The student council has done a great deal to help with the progress and rapid improvements of Pittsburg High School.

This past year members of the council had to accomplish much of the work at the business meetings because of the lack of a leadership class. Council members hope that next year the class will again be in the curriculum.

Representatives attended two meetings of the California Association of Student Councils and four meetings of the Diablo Valley Interschool Council. At these meetings mutual problems of the schools were discussed.

Later in the year four delegates were sent to the Governor's Conference on Youth Participation in Community Affairs. This is the first year that Pittsburg has attended.

Members again sold bookcovers at the student bank. They also worked after school setting up booths for the concessions for football and basketball games. Elsie Macfarlane, commissioner of records, said, "Our concession program seems to work better than those at other schools but still needs improvement."

LEFT TO RIGHT are Paul Kayfetz, JoAnn Olvera, Levi Glasper, Elsie Macfarlane, and Arlene Bonari.

Spring Council

Mr. Macfarlane
Advisor

This year, your Student Council has faced some confusing times. First of all, we do not have the leadership class. Those of us who are now working on the Council realize the great importance of this class. It is sincerely hoped that next year we may once again include the leadership class for your Student Council.

As your Student Council advisor, I hope the knowledge gained in your council work will inspire you to seek further knowledge that you might prepare yourselves for the solution of the many problems facing your community, your state, your nation, and the world.

Those of you who have taken part in the Student Council work and activities of your school have already shown a willingness to assume responsibilities beyond your requirements. It is this willingness to do a little more than is required of you in your school today which will surely make you the leaders of your community tomorrow.

We must **all** remember that most of the progress in ways of peace and civilization has come out of confusing times such as these. The highest determination of men and women with peaceful souls is that we equip ourselves educationally for a "free world."

The Pirate Staff of '58

Not until this year has the annual been really a class, before having been an extra-curricular activity. The 1958 Pirate represents the fine co-operation of the entire student body with the executive group and staff. This year's book will be outstanding for this fact alone. The Pittsburg High School may well be proud that such an important step has been taken, and the true goal of the annual has been realized.

Marietta Russo and her assistants solicited advertisements from the townspeople and were very successful because of the fine co-operation of the community.

Working as senior editor was Clara Roybal. Judy Castellotti and Mark Taves worked as junior and sophomore editors respectively.

Other members of the staff were as follows: Angela Cataldo, senior picture editor; Mary Jane Bruno, typist; Jodee Russell, art editor; Tony Aiello, assistant art editor; Tina DiMercurio, copy editor; and Danny Alfaro, sports editor.

The staff worked under the direction of Rose Magas, editor, to produce what they hope is the best yearbook yet.

Galleon Staff

JoAnn Olvera took command of the good ship **Galleon** this year, under the direction of Mrs. Roxie Gibbs. After hoisting sails, however, rough waters came when Mrs. Gibbs became ill. But with the co-operation of a good crew, the **Galleon** managed to remain afloat until her return.

Besides publishing the school paper, the **Galleon** staff also carried on its second year of putting out a high-school page for the **Post-Dispatch**. They also published football programs for all home games.

Gaining memorable experiences and making new friends on the voyage, the **Galleon** staff docked its ship after a successful year.

Members will take trips to various industries and see movies having to do with science and math.

One of the major committees of the club is the membership committee. The job of this committee is to see if new members wanting to join meet the requirements of the club. During the course of the year the members visited large corporations in the Pittsburgh area to gain more understanding in the choice of business careers. Other club activities were installation banquets and a picnic at the end of the year.

The Pittsburg High School's Future Teachers club completed its second year of existence. The club was originated in September, 1956, under the supervision of Mr. Fox, and has been continued this year under the guidance of Miss Virginia Mabey.

The members of this club are those students interested in the teaching profession. The primary purpose of the club is to encourage interest in the field of teaching and to inform the students as to what the field is actually like.

One of the club's main activities is in practice teaching. The student chooses the grade he expects to teach when he becomes a student teacher. Thus he gains a comprehensive view of the profession.

OFFICERS, Left to Right: Josephine Mercurio, president; Arlene Bonari, vice-president, Marla Rubottom, secretary-treasurer and reporter.

The American Junior Red Cross is dedicated to serving others, our school, our community, our country, and the nations of the world. Under the sponsorship of Mrs. Eugenia Blum, our high school organization has attempted to carry out these aims through various activities.

Among the many accomplishments, they again sponsored a clothing drive for the needy of the world, made layettes and fixed cartoon scrapbooks to send to hospitals and rest homes. Also for the first time the club offered services to the Lynn Training Center, a newly established school for retarded students in our area.

This year the JRC inaugurated a new governing body, the Junior Red Cross Council. This council, composed of representatives from the Senior, Junior, and Sophomore classes, decided the major activities of the organization.

Drama Club

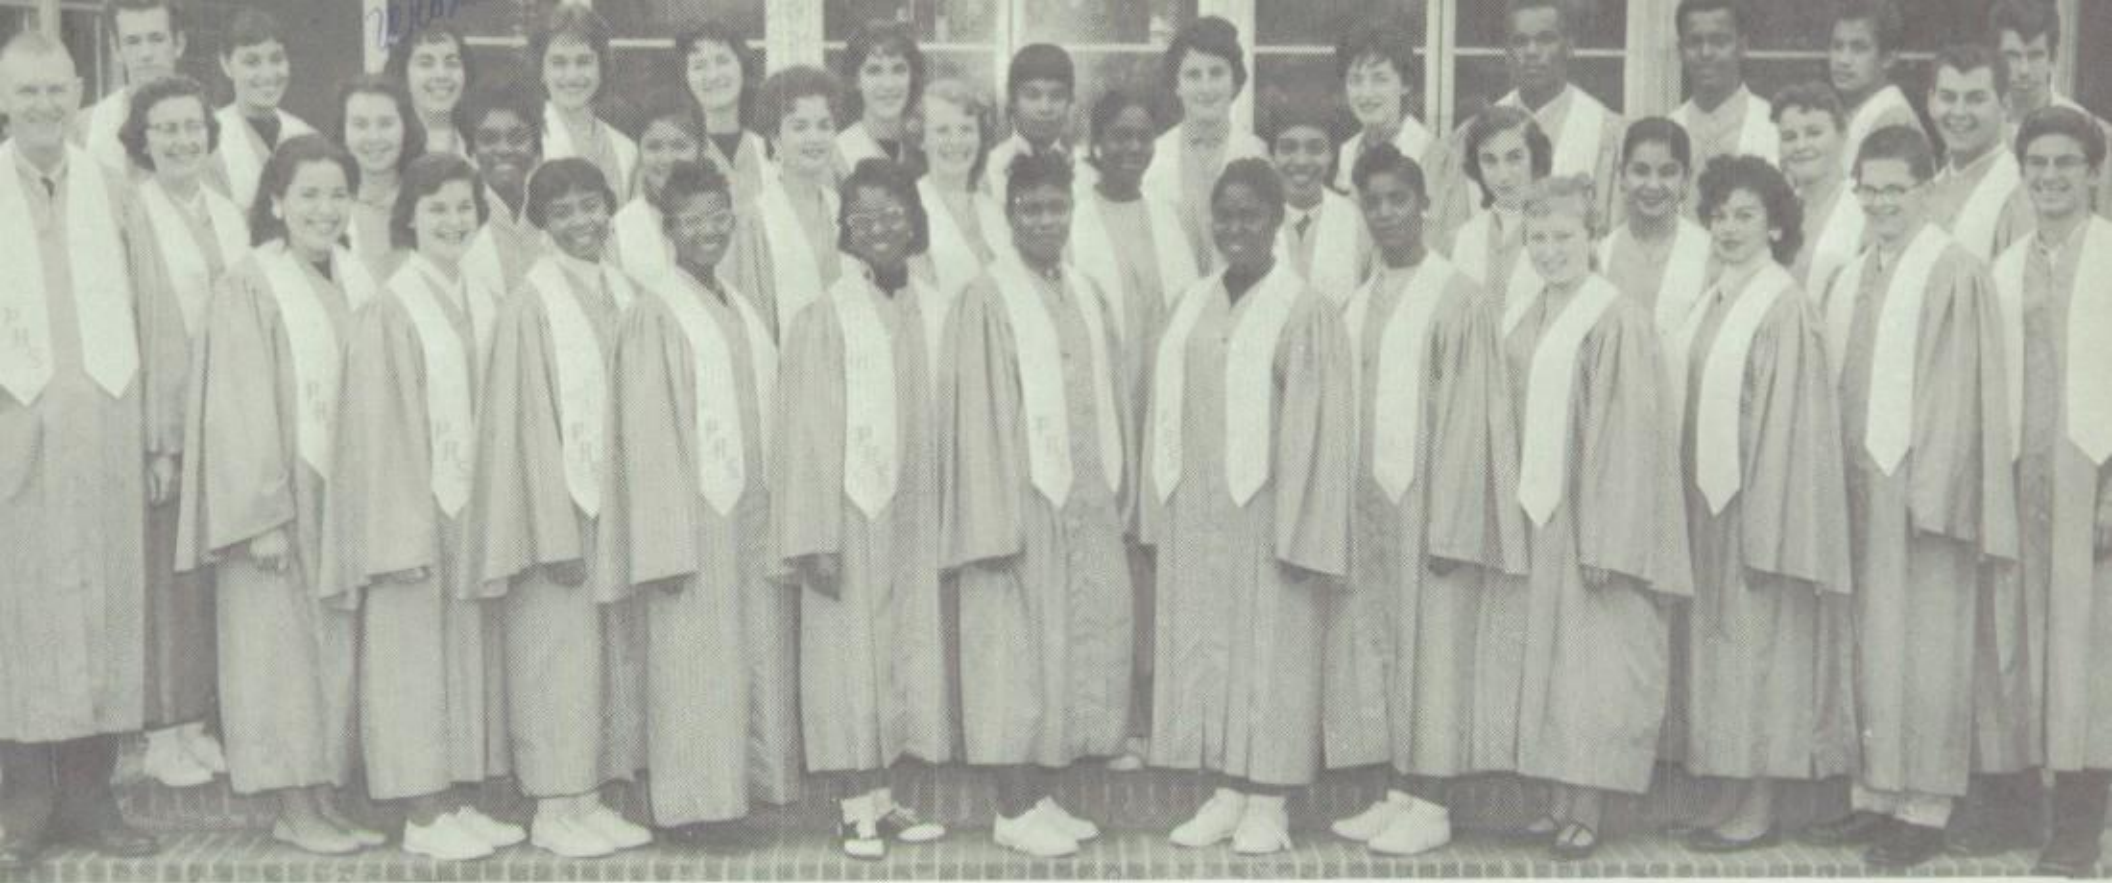

The Drama club in action.

The drama class of Pittsburg Senior High School presented several well-known plays this year. Some of the most talented student thespians were in the casts. Mr. Francis Cosford, drama class instructor, chose Zona Gale's "The Neighbors" as the first production of the year. This play was followed by "Marco Goes A Courtin'."

The plays were presented for the students, parents, elementary school pupils, and the Community Hospital patients.

Acting develops students in poise and self-confidence. Also, through the experiences acting offers, one acquires clear speaking and a greater ability to memorize.

Choir

Mr. Jones leading the Choir.

This year the Choir under the direction of Mr. Jones, has thirty-nine members, nine of them boys. "They are doing a great job," states Mr. Jones, who is pleased with the interest and enthusiasm members have shown.

This year the Choir sang on November 10 at the University of California where there were approximately four-thousand student singers. The day started out with different high schools singing and the Pittsburg High School Choir sang in the morning. At noon they ate lunch at the Greek Theater where the Choral Society of the University sang for the students. In the afternoon they attended a football game.

In February they went to the College of Pacific for a Festival. They sang at our own Christmas program.

Choir members are also working on a one-act comedy opera entitled "Dizzy Baton." The male lead will go to Victor Billeci and all the other characters center around him.

Mr. Jones thinks this year's choir is the best in many years.

Mu Alpha Theta Club

SITTING, Left to Right: Joyce Williamson, Kathleen Horan, Marla Rubottom, Nancy Parent, Karen Richardson, Lynne Woodward, Suzanne Ward. **STANDING:** Adviser Mr. Collin, Norman Simoes, Ken Kovacs, Tony Aiello, Ken Lucido, Larry Wood, Paul Mello, adviser Mrs. Shirley.

Early in the year, PHS petitioned for a Mu Alpha Theta charter. This is an honorary club for students who have a B average or above in math.

To obtain a charter a school must offer at least three semesters of algebra, two semesters of geometry, and one semester of more advanced mathematics. At least one teacher, whose primary teaching field is mathematics and who has completed an undergraduate major in mathematics, must be employed. Mrs. Dorothy Shirley and Mr. John Collin, advisers of the club, meet these requirements.

In order to belong to this club students must have completed or will complete a definite number of required courses.

There are approximately seventeen students who were eligible for membership in the club.

OFFICERS, Left to Right: George Mitchell, president; Angela Cataldo, treasurer; Frances Ann Billeci, vice-president; Judy Gundershaug, secretary.

The Romance Language Club under the supervision of Mrs. Giesen, Mrs. Gibbs, and Mr. Pomposo is in its third year. It includes students who are taking or who have taken Italian, Spanish, or Latin. This year the club is divided into two groups: active members and associate members. Active members do various services for the club, such as selling at games and working on committees for the banquets. These members are eligible to receive activity points. During the year the activities of the club are picnics and banquets given by the Italian, Spanish, or Latin section of the club.

FIRST ROW, Left to Right: Karol Krey, Theresa Guzman, Suzanne Ward, Jeanne Poe, Jodee Russell, Linda Guerra, Dulcy Moran, Frances Ann Billeci. **SECOND ROW:** Sandra Lockner, Nelia Gonzalez, Karen Richardson, Marla Rubottom, Lynne Woodward, Nancy Parent, Judy Gundershaug, Margaret Jiminez. **THIRD ROW:** Larry Wood, Tony Aiello, Ken Lucido, Norman Simoes, Paul Mello, Ken Kovacs, Louis Confetti, Kathleen Horan, Delores Ezell, Elsie Macfarlane, Josephine Mercurio, Diane Billeci, Tina DiMercurio, Joyce Williamson.

California Scholarship Federation

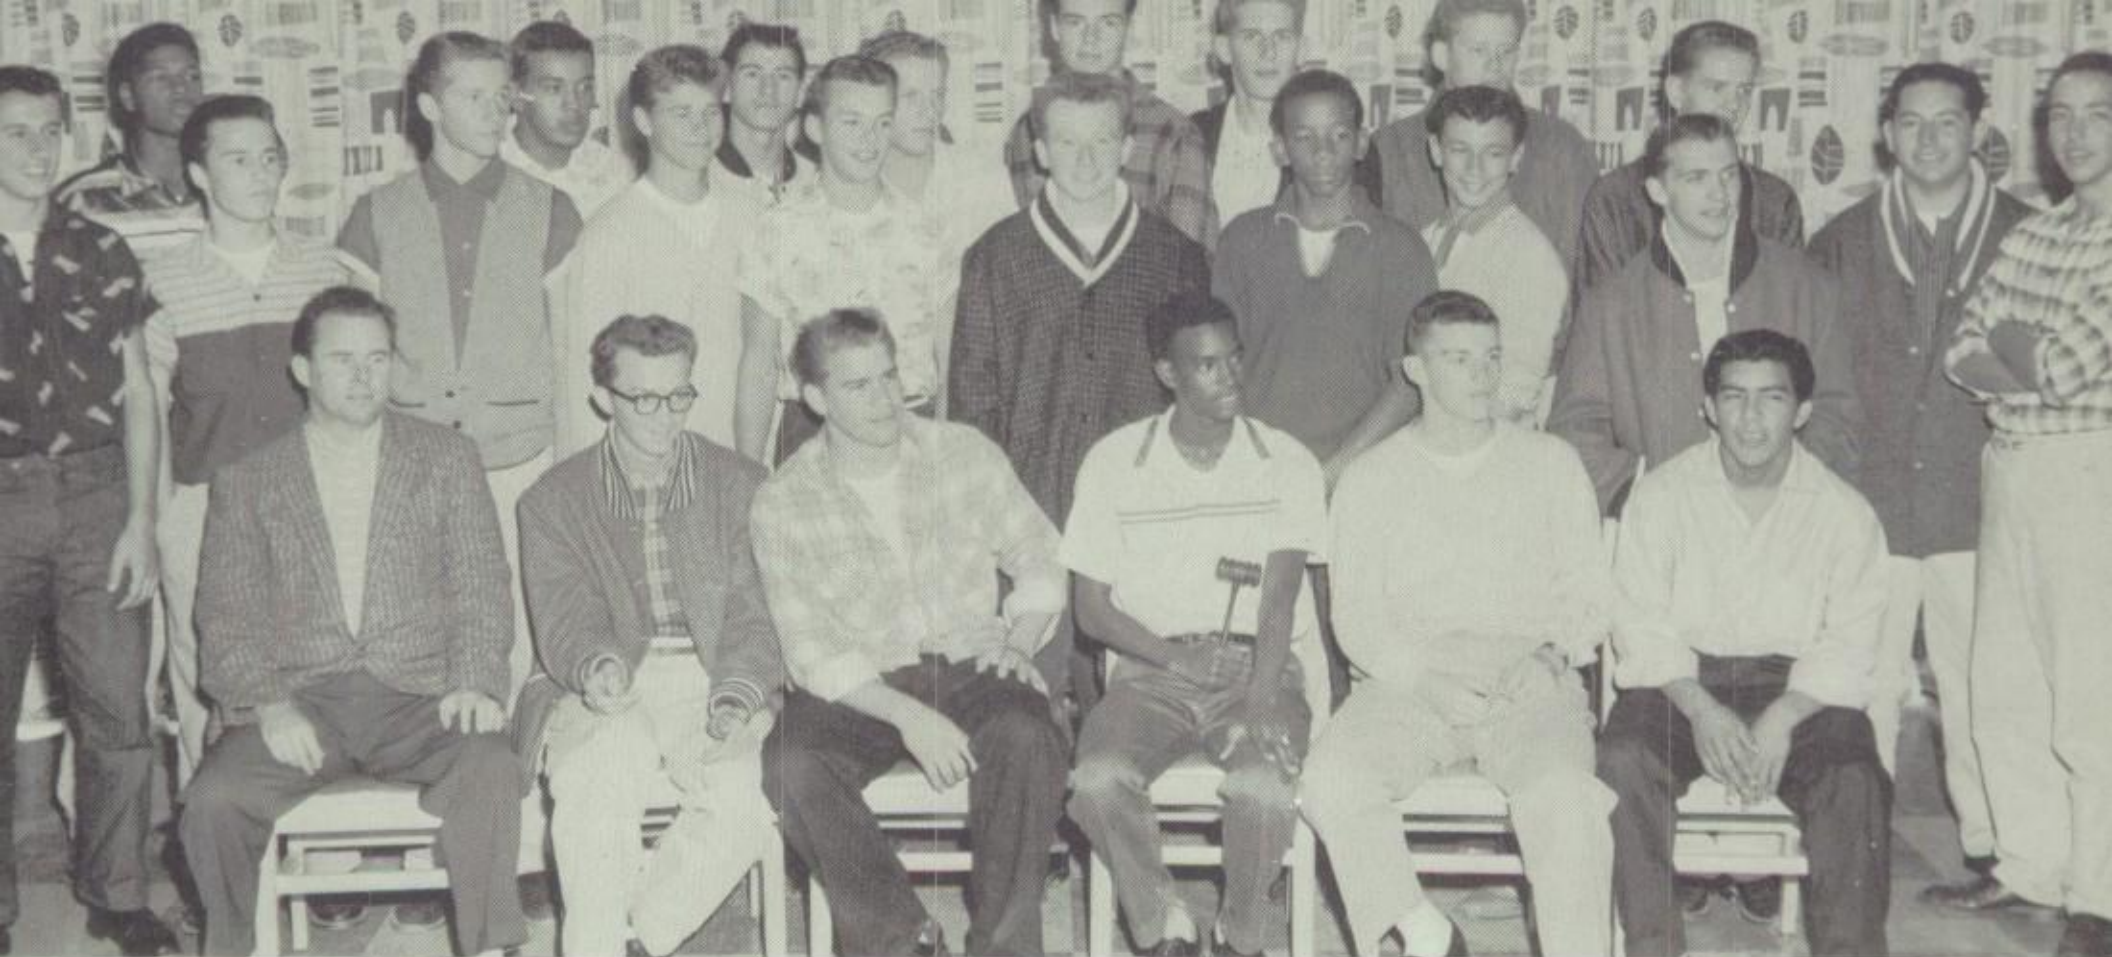

OFFICERS, Left to Right: Norman Simoes, president; Linda Guerra, vice-president; Joyce Williamson, secretary; Larry Wood, treasurer.

The members of the California Scholarship Federation were very active this year. In the fall they sold concessions at games. The money they received from this, combined with the dues, were used to finance their traditional Honor Day.

One of the other activities was a party for new members.

This year the membership totaling thirty-one was among the largest in the history of Pittsburg High School.

Miss Clarisse Bois, adviser for the club, decided how many honor points and what subjects count for points to join CSF.

SITTING, Left to Right: Adviser Mr. Conley, Horace Enea, Joe Sechitano, Levi Glasper, Phil Lucking, Frank Matamoroz. **SECOND ROW:** Richard Gromacki, Brian Wilson, Roger Jones, Jay Stockton, Dennis Martinec, Paul Bruno, Dorris Oakley, Steve Sanfilippo, Leslie Shaw, Paul Mello. **THIRD ROW:** Henry Nunn, Peter Roa, Al Hurtado, Theston James, Bill Plummer, Ken Kovacs, Chuck Chism, Noel Nellis, Max Basquez.

Key Club

OFFICERS, STANDING, Left to Right: Theston James, sanitary engineer, Ken Kovacs, treasurer. **SITTING:** Max Basquez, vice-president; Levi Glasper, president; Brian Wilson, secretary.

The primary purpose of the Key club is to serve Pittsburg High School. The secondary purposes are to build good citizens and to make good scholars out of the members.

Achievements of past Key clubbers include the purchase of the score board, which is used for football games, and the purchase of the school banner. In addition, Key clubbers have served as guides at our Annual Career Day and they have always been represented at the concession stands for our home games.

On the lighter side, the Key club attends a professional football game each year. They play baseball and have a basketball game yearly with one or two of the neighboring Key clubs. The members also attend an annual dinner given by the Kiwanis club.

The Pittsburg high school Key club is a member of a national organization which is sponsored by Kiwanis International.

Mr. Jack Clark, manager of the Signature Loan Company, is this year's Key club committee chairman. Mr. John Conley is the Key club adviser.

FIRST ROW, Left to Right: Advisor Mrs. Reed, Joyce Williamson, Ruth Chism, Jan Nicoll, Willa Davi, Glenda Haskell, Nelia Gonzalez. **SECOND ROW:** Paul Mello, Marla Rubottom, Kathleen Horan, Anita Reed, Mark Tornheim, Wayne Granberg, Larry Wood, Tony Padilla, Anthony Contreras, Theresa Guzman. **THIRD ROW:** Jackie Sacco, Nancy Parent, Evangeline Jayme, Sarah Christian, Diane Bode, Suzanne Ward, Claire Runckel, Katherine Fortune, Judy Gundershaug, Barbara Cappucini.

Library Club

OFFICERS: Judy Gundershaug, vice-president; Jan Nicoll, president; Larry Wood, treasurer; Nancy Parent, secretary.

The main purpose of the Library club is to acquaint students with the thousands of books and many magazines in the library and to give them experience in the pleasures of reading.

This year the club had book reviews of different types of books given at the meetings and had guest speakers tell them about the library profession. Another activity they planned and which was successful was having films during the meetings. Their most important project this year was having a blind person come to the school to talk on the Braille system.

Pittsburg High School Senior Band.

Senior Band

Under the direction of Mr. Clarence Fornwald and led by Judy Fornwald, drum majorette, the senior band played for football and basketball games, rallies, the Columbus Day Parade, the Parade at Davis, the Armed Forces Parade, the California-Oregon game, the Mother's Day Parade, before civic clubs, and at graduation.

The senior band consists of two parts: the concert band and the marching band. This explains why other schools have larger bands.

Members of the band playing saxophones are Lonnie Mickey, Willie Mickey, Paul Mello, William Hill, Watkin Ary, Joaquin Aiello, Horace Enea, and Sydney Styers.

Playing trumpets in the senior band are Ronnie Short, Eddy Munoz, Don Chatman, Jack Moore, Frank Favalora, Gene Hinojosa, Aristeo Alfaro, Henry Johnson, Tom Coleman, Ed Orozco, and Harry Mattson.

On trombones are John Nord and Bob Melendez.

On drums are Jess Marin, Ann Turner, Bob Moffett, Dorris Oakley, Tyrone Williams, and Russ Lombardo.

Baritone is Bob Stratton and on the bell lyre is Joyce Williamson.

Rally Committee

The Rally Committee is probably the most active group on campus. Throughout the year the rally committee works at organizing and planning the rallies and Pep club activities.

Six Pom-pom girls, three yell leaders, three little Pirates, and the president and secretary of the Pep club make up the rally committee.

Members of the rooting section, who are also members of the Pep club, are under the leadership of the rally committee.

Rallies, Rallies, Rallies!

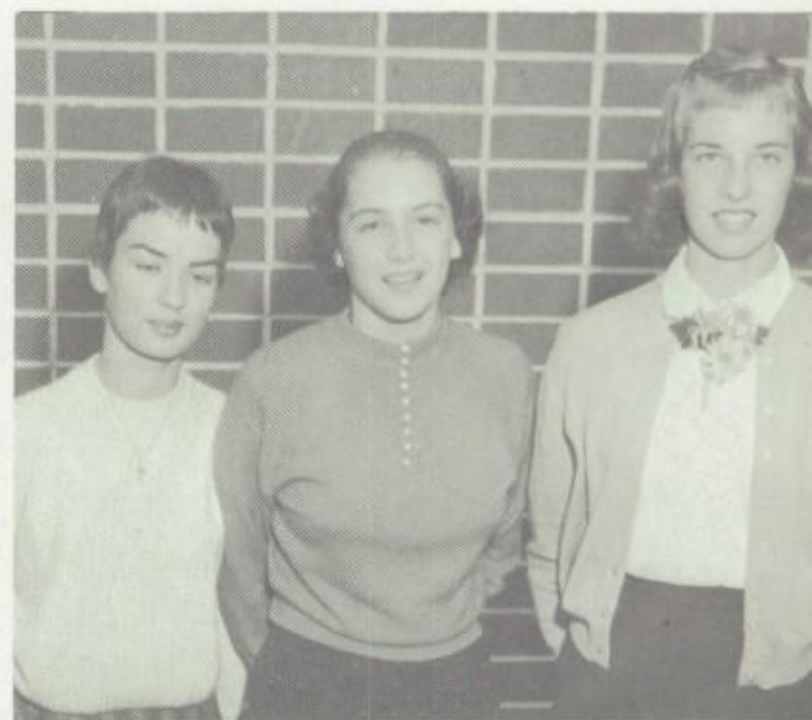

Pep Club forms a block letter "P."

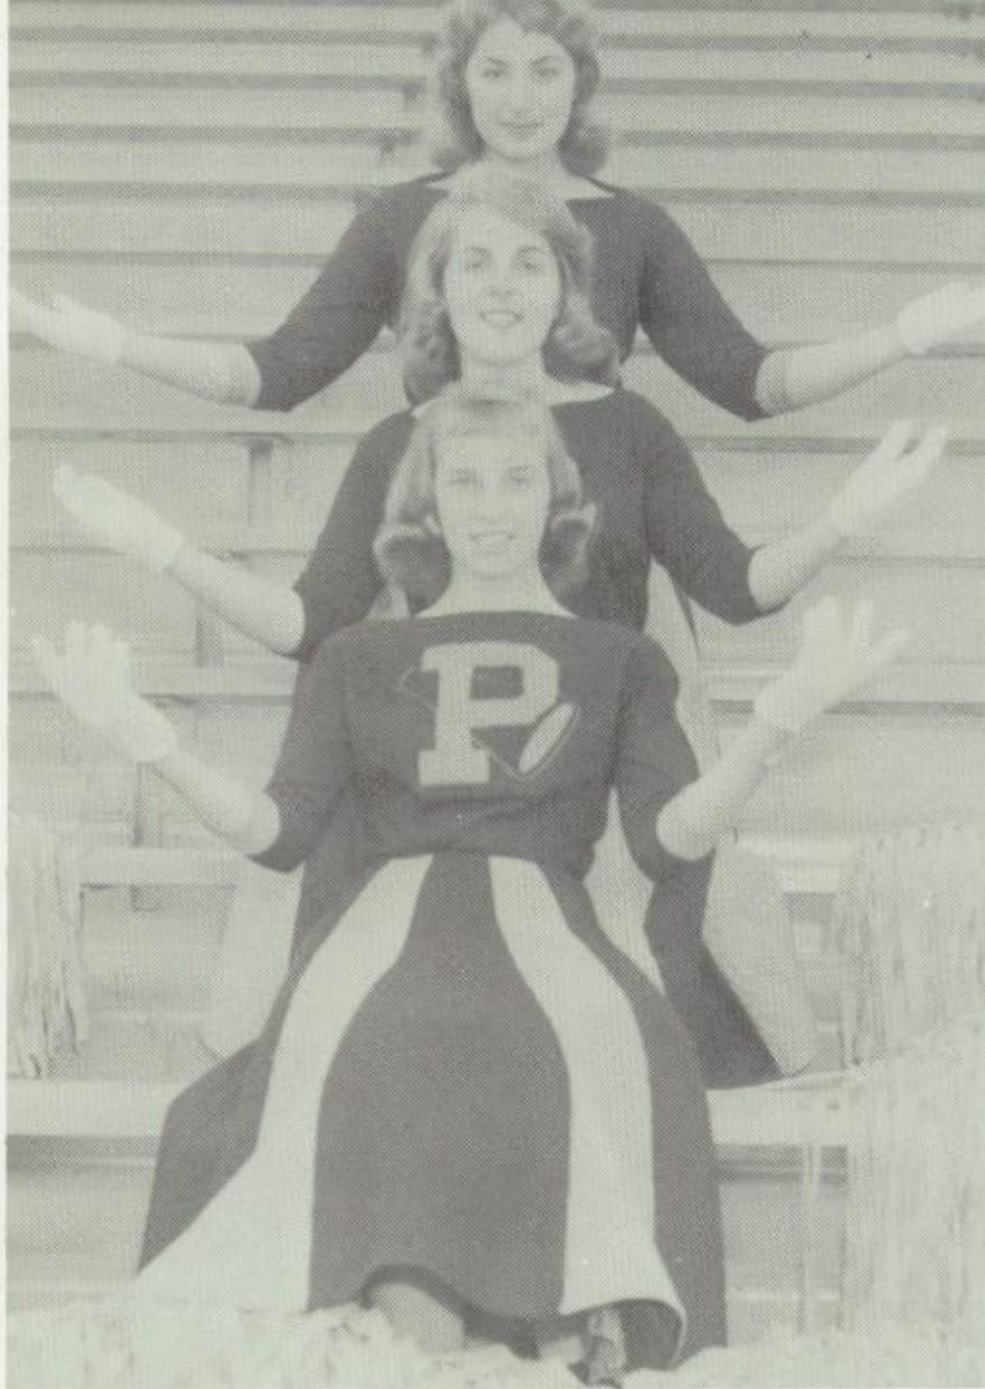

Pep Club

"Pep, pep and more pep!" this is the Pep club's motto. It is organized to promote sportsmanship and cheer the teams on to victory. It has one of the largest enrollments of any club in the school. Some of its trade marks are: wind-blown hair, sore throats and red noses.

The last football rally was an exchange rally with Antioch. In the morning yell leaders, pom-pom girls, pirates, coaches, season co-captains, and Pep club president journeyed to Antioch and they were met with a warm reception. Later in the day, Antioch student leaders journeyed to Pittsburg. The Pittsburg rally will be remembered as one of the most enthusiastic in the school's history. The rally was highlighted with a yell given by Mr. Poe.

Cheerleaders

The cheerleaders this year were full of vim and vigor and stood out attractively in their orange and black gored skirts, black jerseys and white gloves.

The cheerleaders were chosen at the end of last year by the Student Body on qualities of ability and leadership.

Every Friday night these girls were at the games giving everthing they've got. The results were three sore throats and a championship team.

Pom-Pom Girls

Flashing orange and black outfits, big smiles, action and fun—that's the Pom-pom girls. To acquaint you with the PHS morale boosters, their names are Claire Roybal, Norine Lombardo, Karen Richardson, Janet DiFiori, and Angela Cataldo. Rose Magas heads the lively group.

Eligibility to run for Pom-pom girl is decided by a point system. Points are acquired by attendance at all football and basketball games, yelling in the rooting section, and selling concessions. At the end of the year the girls with the most points try out. The head Pom-pom girl, future head Pom-pom girl, and Pep club adviser choose the next year's Pom-pom girls from the group of applicants.

The activities of the Pom-pom girls not only help them have an active and happy school experience, they likewise develop admirable qualities for later life.

Members participate in softball, speed-a-way, volleyball, ping-pong, tennis, and basketball.

With the completion of the two new pools this year, the GAA has added swimming to its activities.

The girls go to playdays with other schools. They took part in a playday at San Francisco State College.

Champs Again!

This year the Pirates went through another highly successful season to win the DVAL championship for the ninth year in the ten years Coach Tony Knap has handled football here.

The Pirates started the season by losing a hard-fought 12-6 game to the Monterey Toreadors. This loss broke Pittsburg's winning streak of 12 games.

Serra was the first team to fall before the determined Pirates. With hard running and aggressive blocking, the Pirates came through with their first victory of 33-6 for the 1957 season.

Coached by former Pittsburg grid star, George Galli, the Pleasant Hill Rams proved harder to beat than the Pirates had anticipated. The Pirates walked off the field winners by 7 to 6 after a breathless second half.

Crowds jammed the Acalanes field expecting to see one of the closest games of the season with the Dons favored. The Pirates started off with a "blitz" attack, surprising the Dons and resulting in a 26-7 victory.

The tie for first place in the DVAL section brought thousands to the Los Lomas field. This game would name the leader in the race for the title. The Pirates came home winners by 19-0.

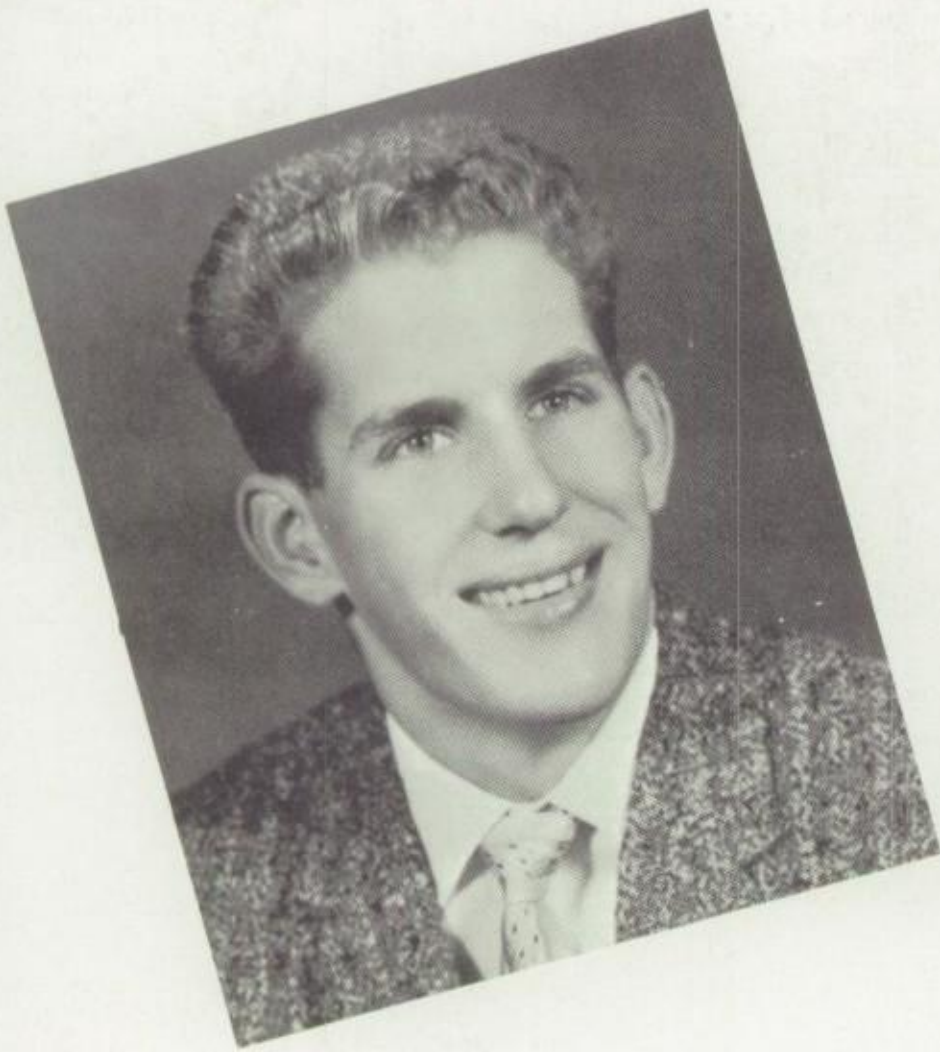

Pittsburg's neighbors, the West Pittsburg Spartans, were the next victims. The Spartans were a hard-to-beat, courageous team. The score was 47 to 19.

The Diablo Red Devils have always been hard to beat. Once again the title-bound Pirates showed their strength both on defense as well as offense and shut out the dazed Red Devils 25-0.

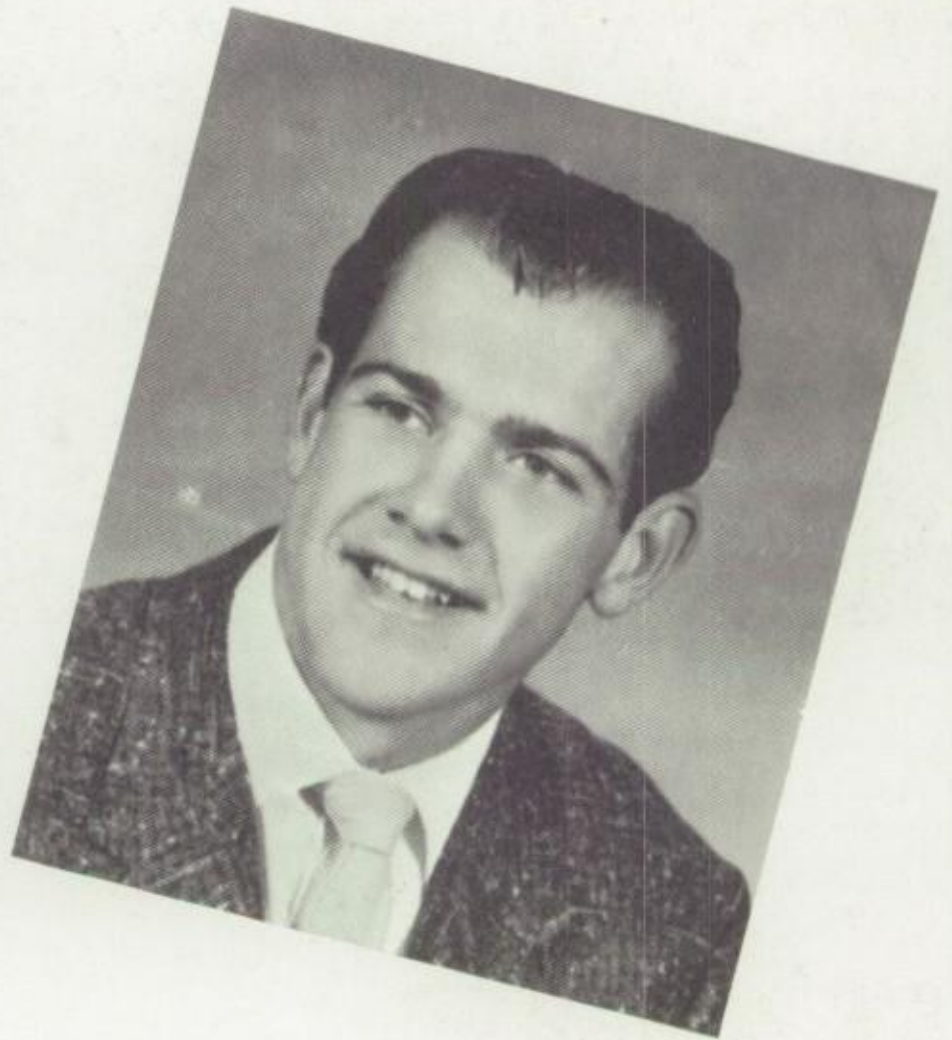

This year the Pirates set back the Panthers' high hopes in the Big Little game, setting a new scoring record of 61-7 for this traditional classic.

Four men won All-county: tackles Nick Gonzales and Frank Lazio, guard Anthony Barraco, and end Ken Kovacs. Second-string honors went to center John Galli and halfback Vince Darone, a junior who led the league by scoring 54 points. Winning third-string All-county honors were quarterback Al Hurtado, end Joe Lucido, and halfback Judo Esposito. Honorable mentions were halfbacks John Nord and Willie Coston.

This is the last year Pittsburg will participate in a six-game league schedule. In 1958 the Pirates will have four non-league practice games and four league games.

Although Pittsburg lost the Monterey game, the team did not lose heart and went down fighting in true Pirate fashion. Danny Alfaro was chosen as Prep of the Week for his offensive blocking which gave Pittsburg some good yardage.

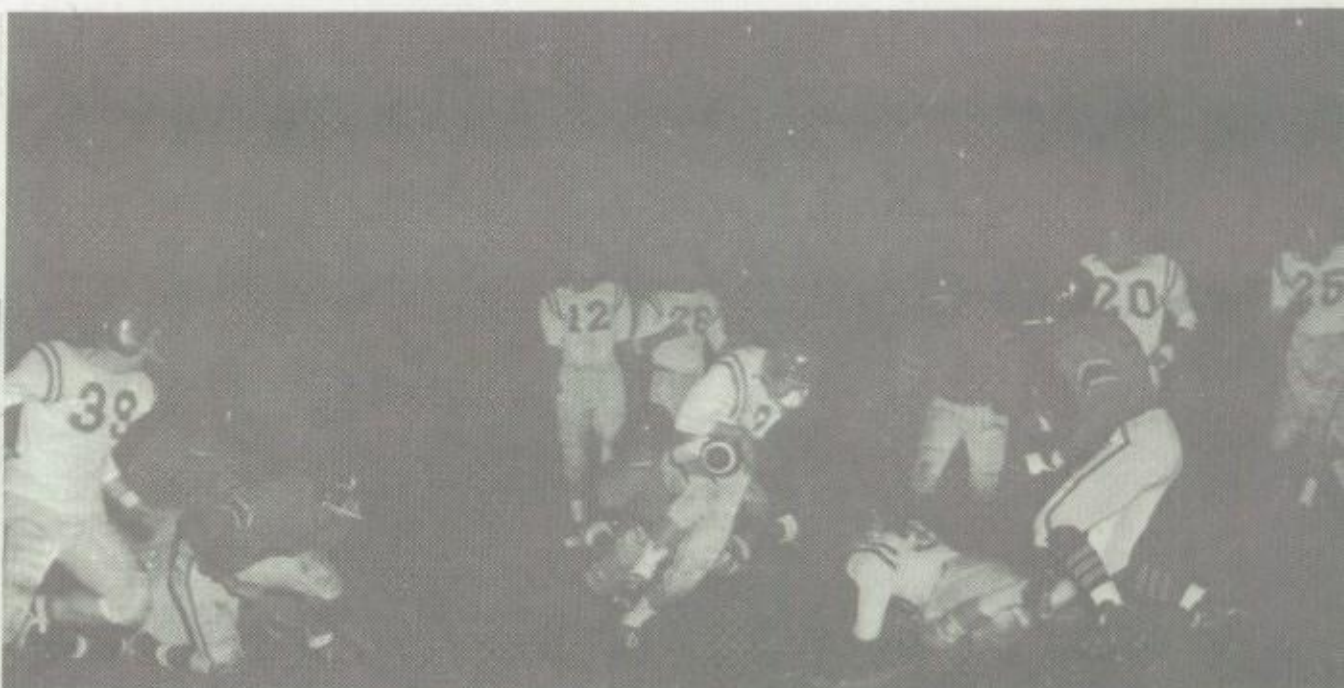

Anthony Barraco, Pittsburg's second award winner, showed both football ability as well as courage in the Serra game. Anthony's superior down field blocking enabled the Pirates to come within scoring position and run away with a 33-0 win over the Serra Padres. Serra gridmen will long remember him.

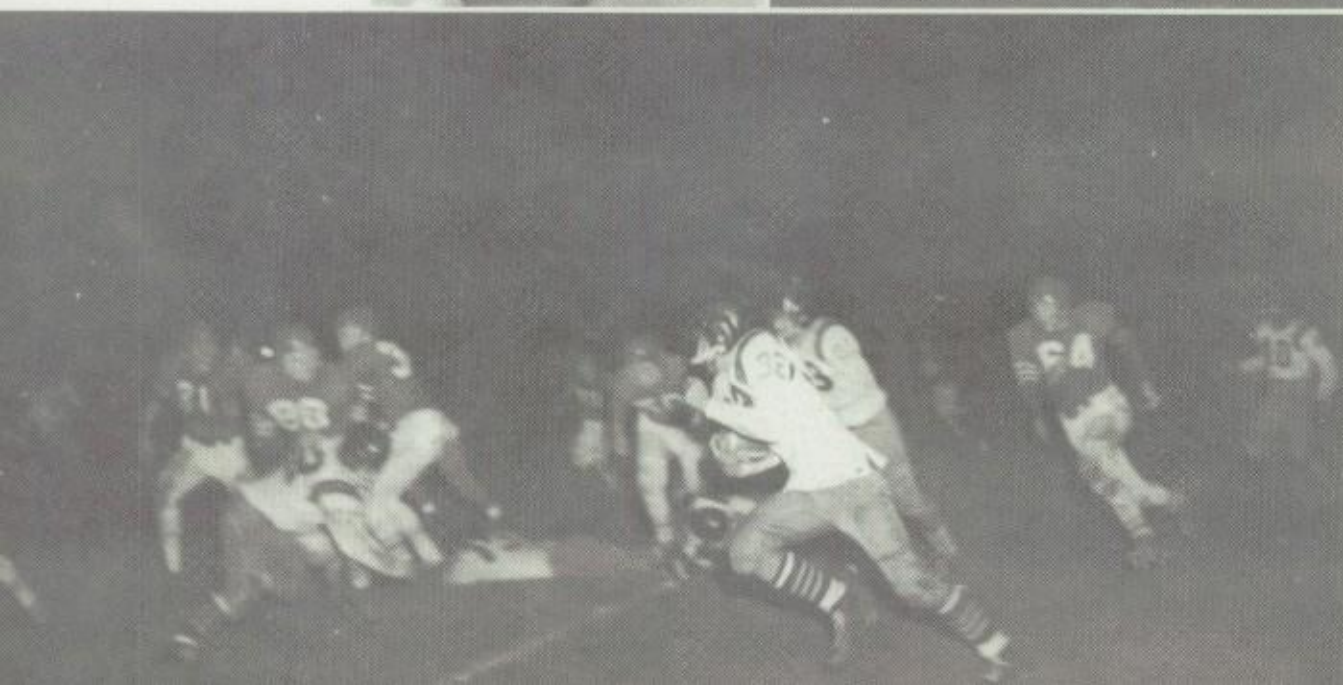

1957 Prep

Frank Lazio, offensive tackle and defensive linebacker, did a good job for the Pirate cause against the Pleasant Hill Rams, Pittsburg's first league game. Frank showed the qualities for which he was chosen All-County honors as a junior.

Entering the Acalanes game as the under-rated team, the Pirates hammered out a 26-7 victory over the Dons.

Judo Esposito will long be remembered for his hard running which paved the way for many of Pittsburg's first downs and touchdowns.

Nick Gonzales turned in a sparkling performance in the Las Lomas game. Nick was in on many of his team's tackles as well as being an aggressive blocker on offense. He also scored a conversion on a tackle eligible pass play.

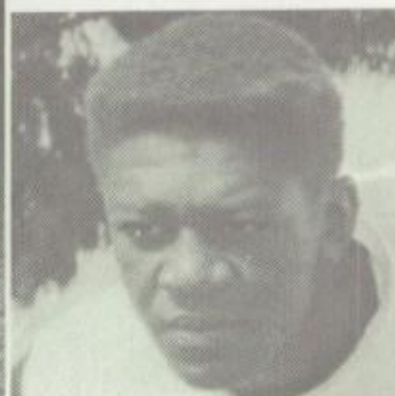

Cited for his all around playing in the Pacifica game was Ken Kovacs. Kenny's outstanding performance both on defense as well as on offense proved to be too much for the understated Spartans.

Award Winners

Willie (Old Reliable) Coston really made himself felt in the Diablo-Pittsburg game. Willie intercepted one of the Red Devil's passes in the fourth quarter and ran it back fifty yards before being brought down. He also did great work as a defensive safety.

John Nord, a hard running back, played his most spectacular game of the season against Antioch. Along with scoring two touchdowns, John also led in the yardage department with 154 yards.

Al Hurtado, Pirate quarterback, sparked the Pirates in blasting out a 61-7 win over the Panthers. Al's dead-eye passing along with his good ball handling paved the way for a new scoring record of 61 points for this traditional classic.

Gangway!

J. V. Title Holders

This year, along with their Varsity Big Brother, the Junior Pirates have retained their 1956 football championship on to 1957, winning 6 out of 7 league games and tying only one. This is Coach Joe Berkich's second championship squad in the two years he has coached here at Pittsburg High.

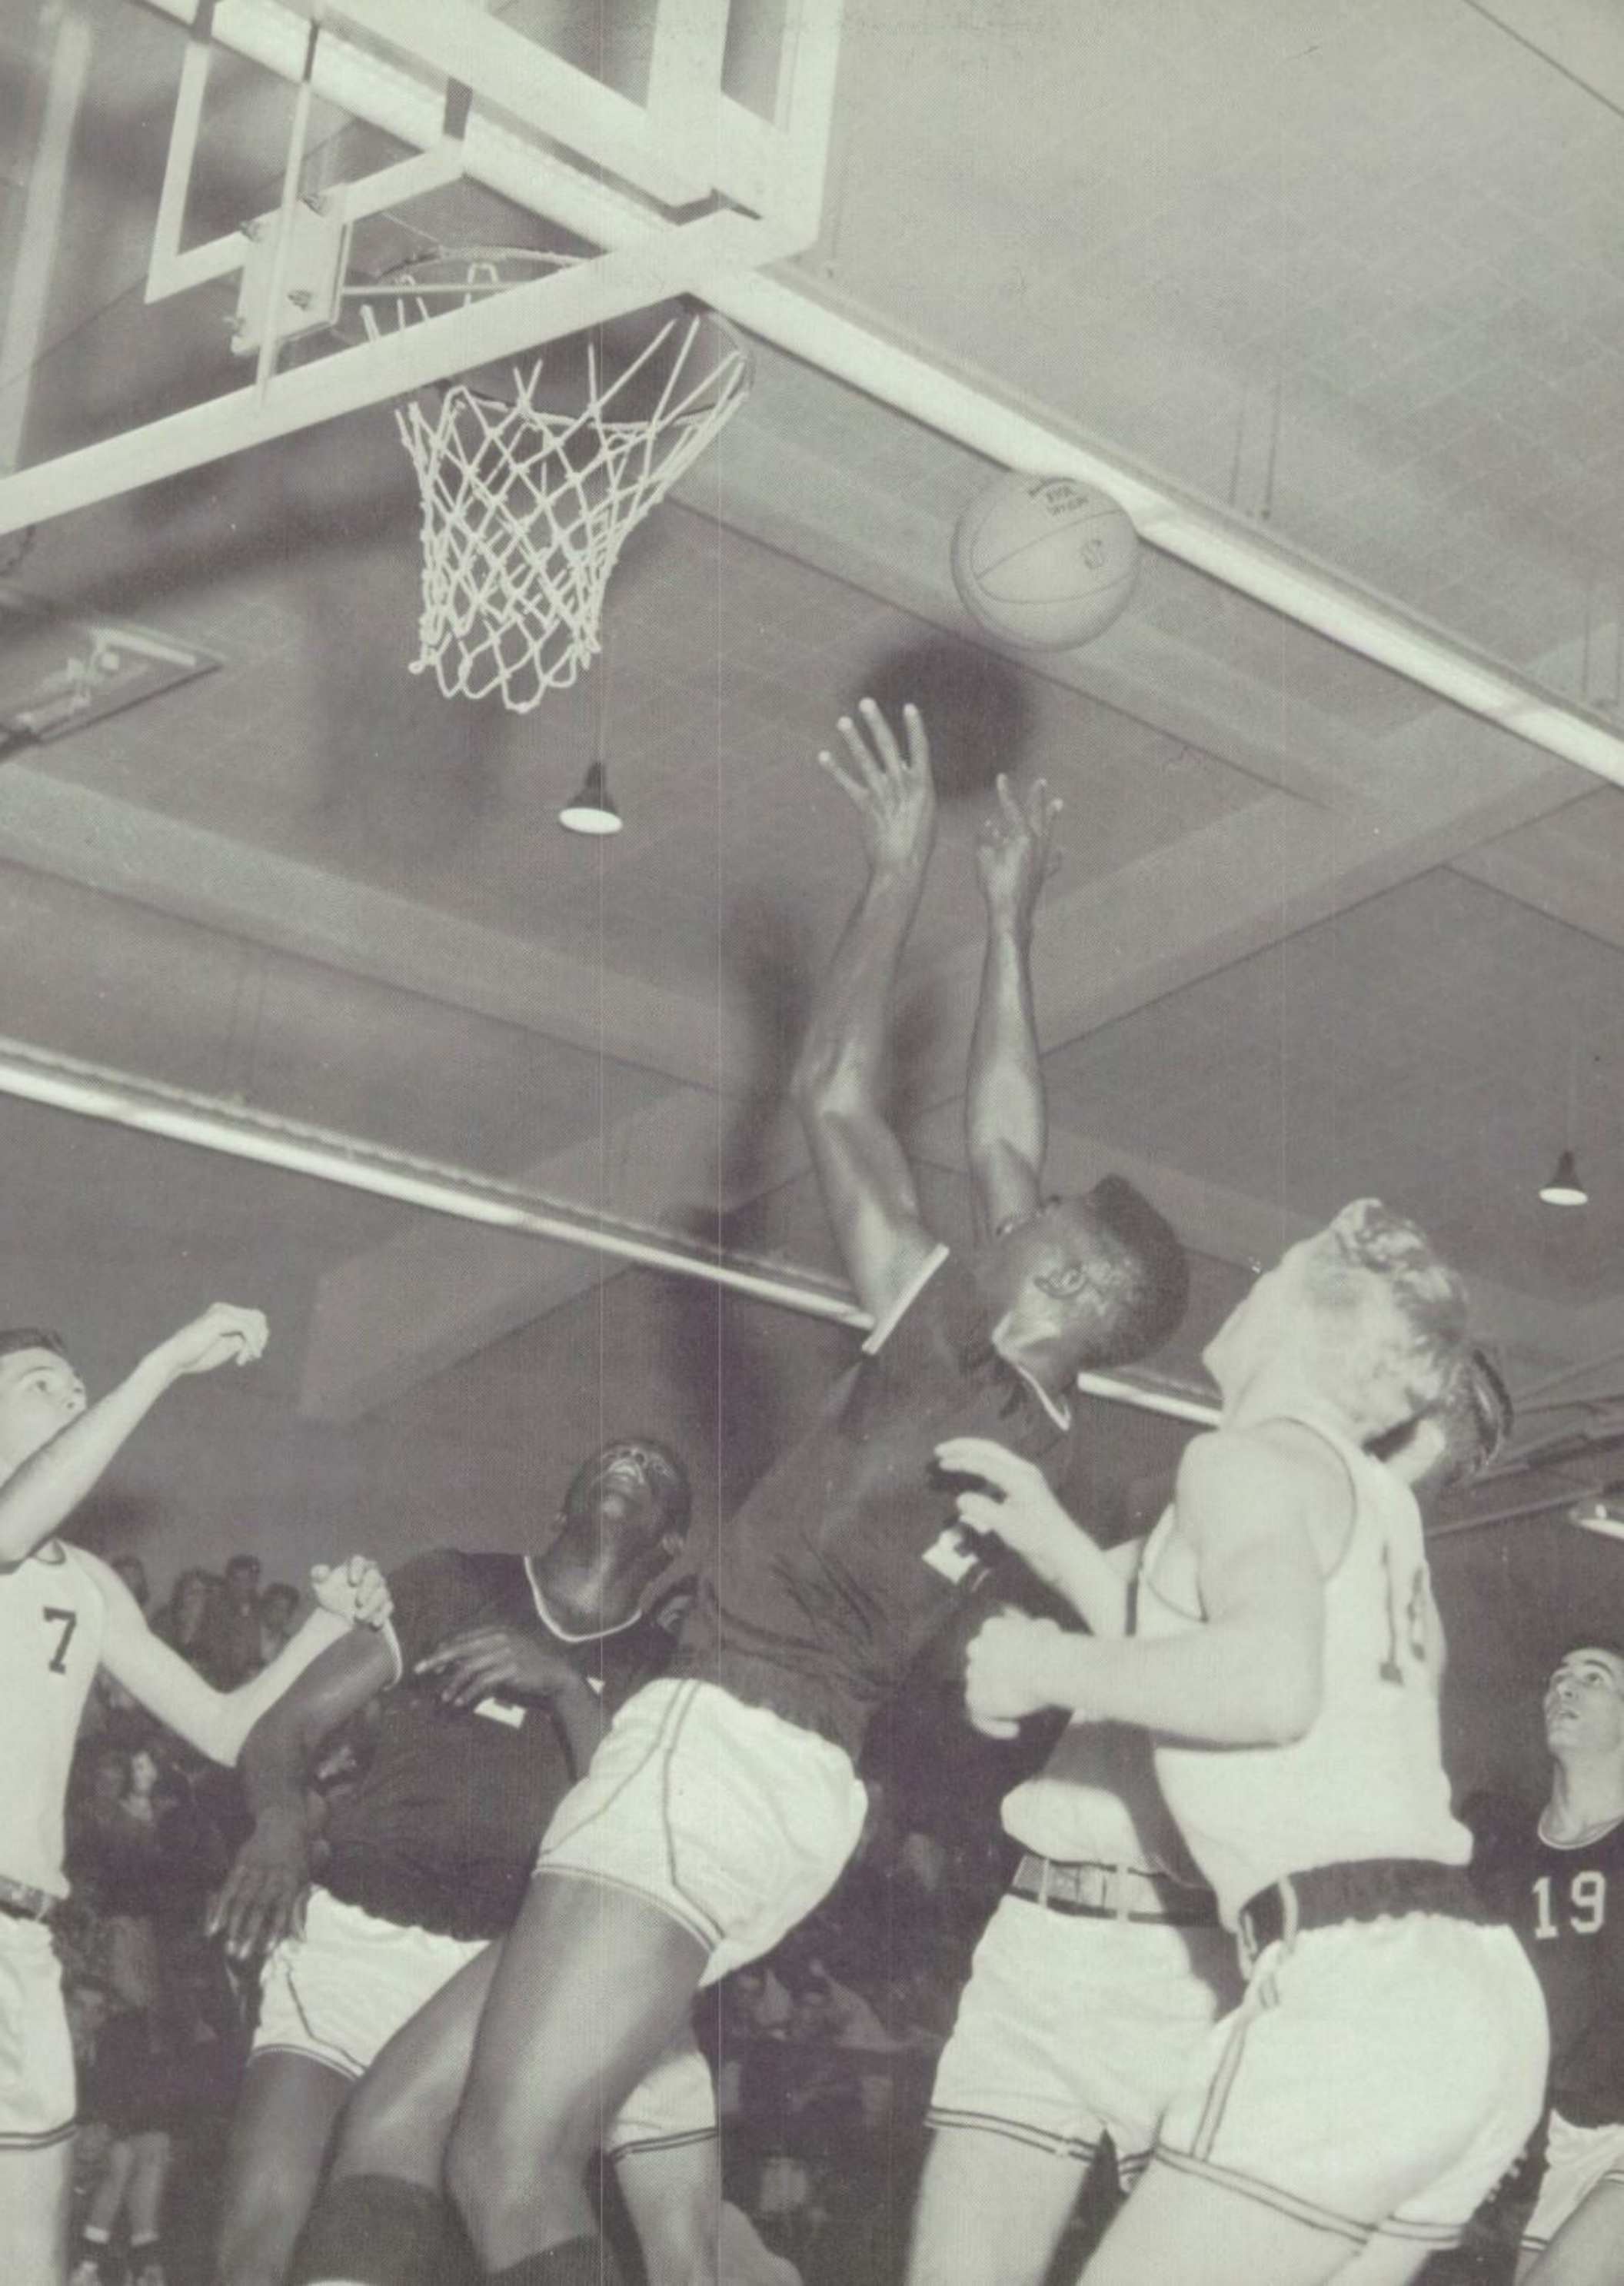

The Junior Pirates rounded out a perfect season with a 14-7 win over their traditional rivals, the Antioch Junior Varsity. This game meant either losing the championship to Pleasant Hill and placing second in league standings, or being sole champs of the D.V.A.L. section. Miramonte was the only game in which both teams played hard to a scoreless tie. Antioch turned out to be more than the Junior Pirates reckoned for. But with clashing shoulder pads, hard-running ball carriers, and a determination to win the Junior Varsity closed out a season they can well be proud of.

Second-place Winners

With high leaps to the backboards, accurate shooting, fast breaks, and a determination to win, the Pirate varsity basketball team came through with a season which is characteristic of Pittsburg. Placing second to Diablo high in league standings, Coach Thomason's varsity won 15 to 17 league games. The team dropped one to Diablo before receiving a setback at the hands of Pleasant Hill high.

John Nord, a returning letterman from last year, was elected most valuable player by his teammates as was Al Hurtado, a player up from last year's lightweight team, who was chosen season captain. Nord was named to the first-string All-county team elected by the various coaches of the league. Second-string All-county honors went to Al Hurtado. Frank Cardinale, a junior, was named honorable-mention in All-county honors and also gained All-tourney recognition at this year's Gridley tournament.

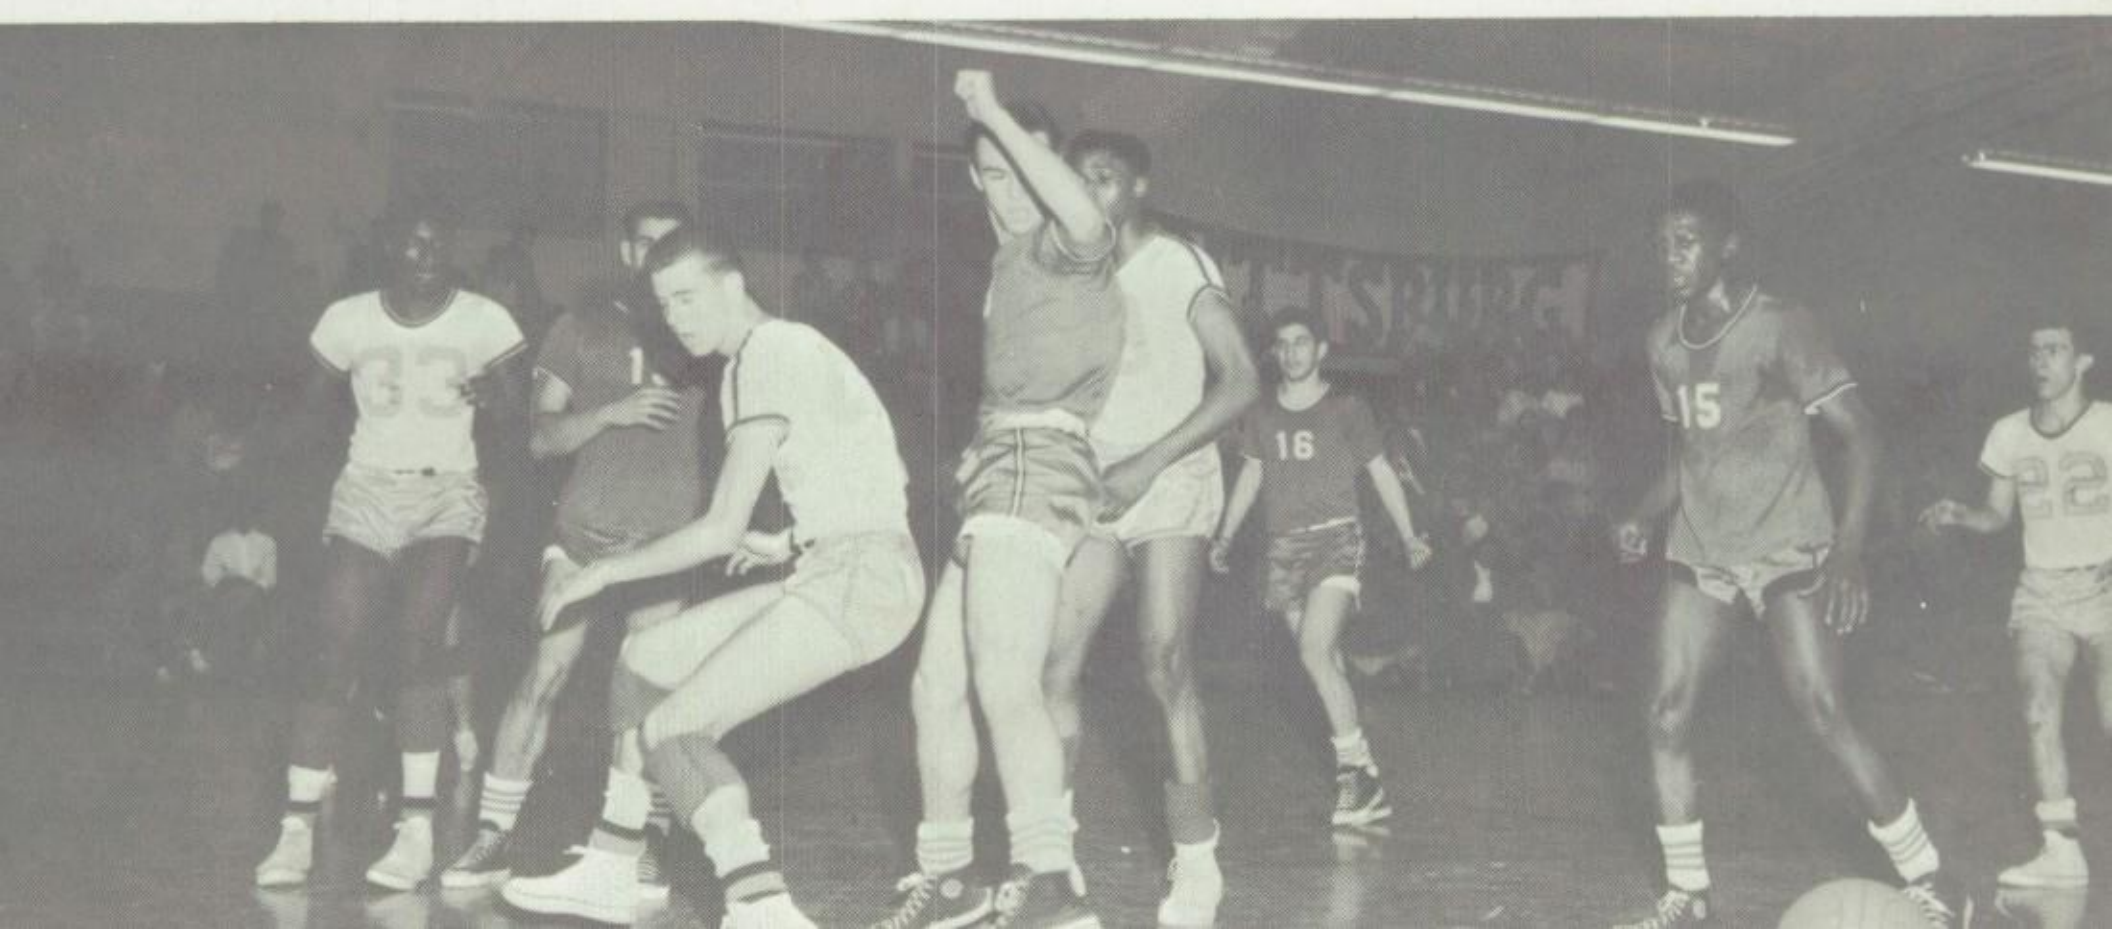

This was Pittsburg's second trip to the Gridley Tournament. In 1957 the Pirates took the tournament cham-

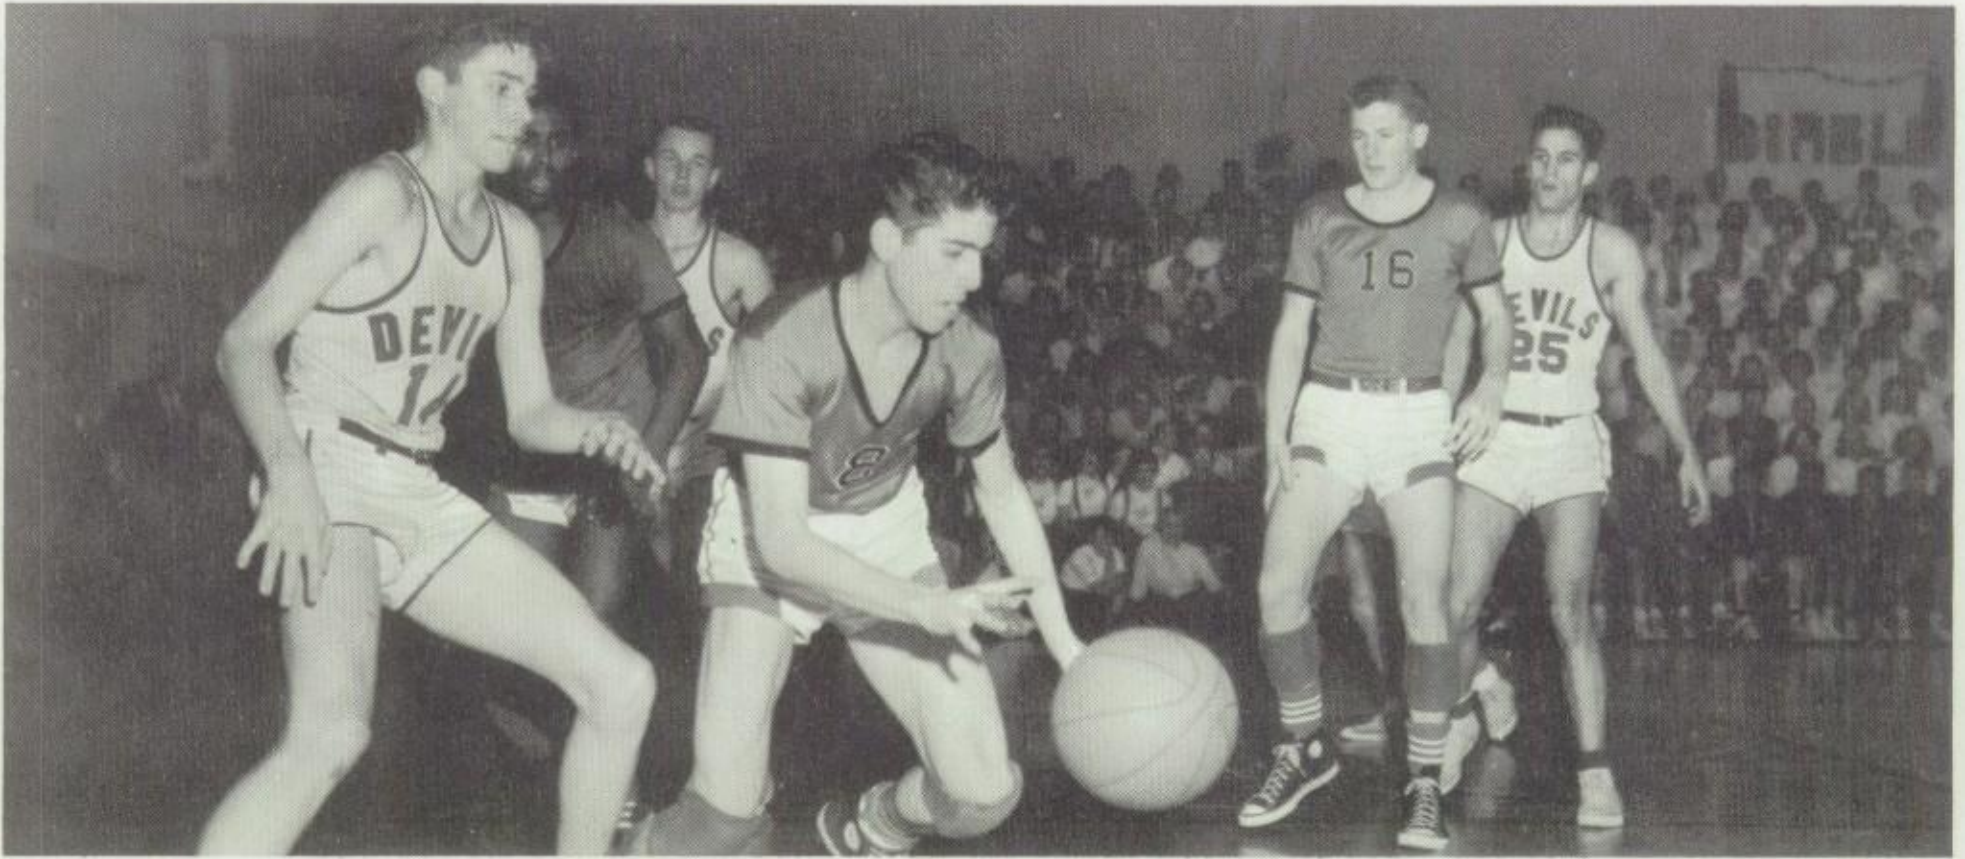

pionship. This year the defending champs came up with a consolation trophy after first losing to El Cerrito and then downing Santa Cruz and Albany for consolation.

In seven years with the varsity, Coach Thomason has won three championships, three second places, and one third place.

Fourth Straight Championship

For the fourth straight year Coach Andy DeStefano's "B" basketball team came out on top as the DVAL basketball champs. This is Coach DeStefano's fourth championship squad in the seven years he has coached the Pirate "B" basketball team. This year's team has won 25 straight league games dating back to 1957.

Three boys won honors on the All-county teams. They were Bob Moffett and Charles Glover, both first-string All-county, and Willie Mickey, second-string All-county. George Smylie got honorable mention All-county. Bob Moffett was elected season captain by his teammates, who also chose Charles Glover as most valuable player.

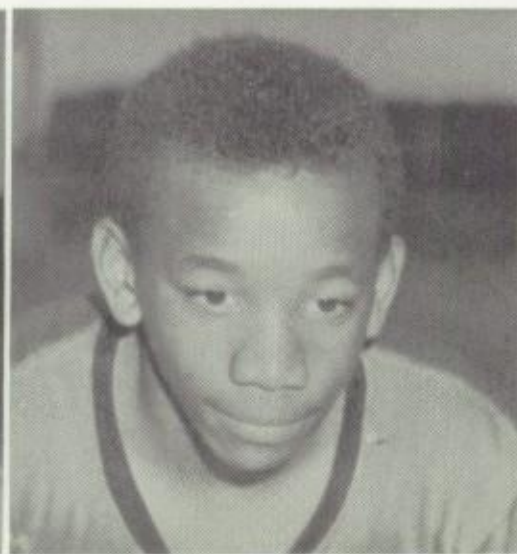

Glover broke both the scoring and rebound records in Pittsburgh high. His new-established record is 227 points and 211 rebounds.

Finishing the season with five wins and six losses was this year's junior varsity basketball team. Although this team has no regular league schedule nor games, it is a team to be recognized and to be proud of.

There is no regular schedule since many coaches prefer to use the games as an opportunity to give the sophomores and juniors on their varsities more game experience. Only sophomores and juniors are on the junior varsity.

The junior varsity holds regular practice sessions daily after school in the girls' gym and occasionally scrimmages with the varsity or "B" basketball teams. The players do not receive awards or earn letters as do the varsity or "B" teams.

This is Coach John Conley's third year as coach. He also coaches junior varsity baseball.

Swimming in 1958

The '58 Pirate not only welcomed the birth of wrestling at PHS but of swimming as well. Having undertaken the job as coach of this new sport was Mr. Joe Lee, who during his swimming days at Providence College was New Hampshire diving champion in 1932.

Mr. Lee feels that 1958 has been more of a development year for the team. As he said, "A new swimming team always suffers from a weakness in the other than free style events. Nearly all boys learn to swim free style,

but few have learned by themselves to do the backstroke, butterfly stroke, and breast stroke. That is one weakness, and with experience and training it will be overcome."

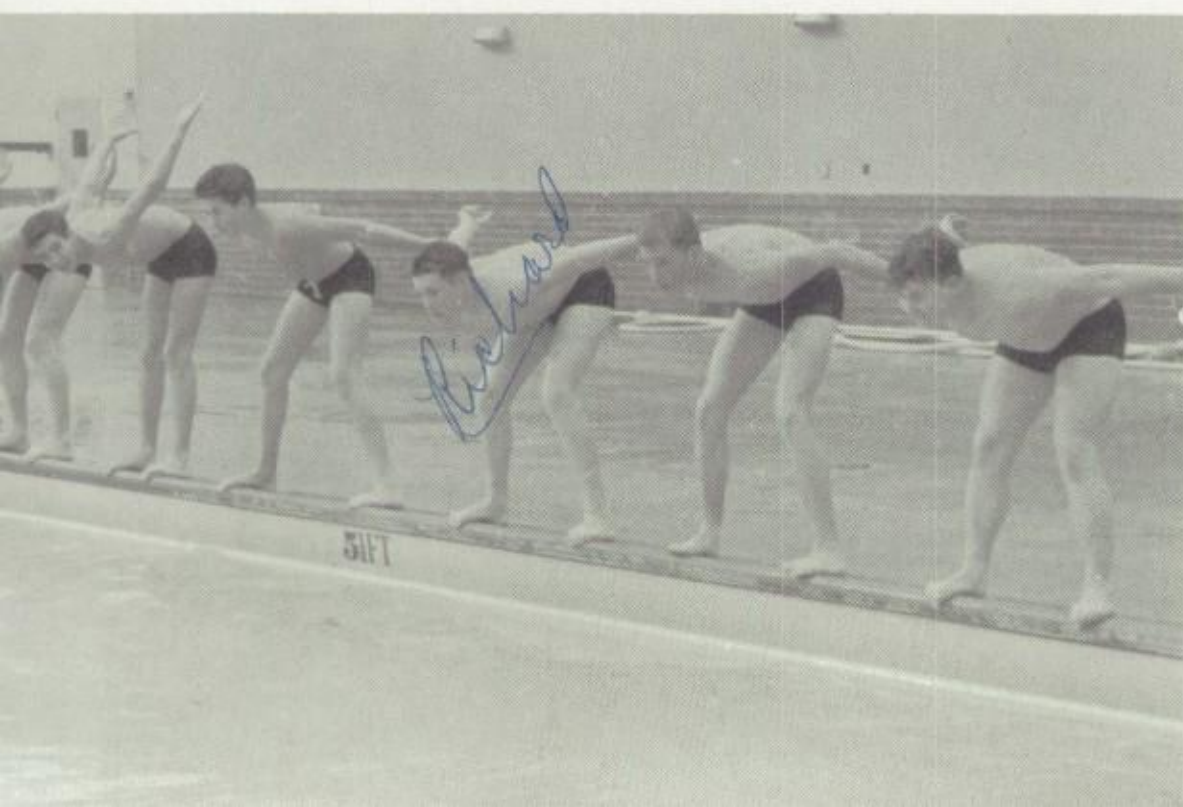

In mid-March the team went up against its first opponents, Stagg high of Stockton, and lost. Pacifica's experience proved helpful in the second match, which the Pirates also lost.

Delgado demonstrates the swan dive.

Points for each event were as follows: first place, five points; second place, three points; and third place, one point. Diving is judged on the take-off, position in the air, and entry into the water. Points are from 10 to 0. Ten represents very good, and zero a complete failure

Frank Gutierrez
Season Captain

Entering the season for the first time in PHS history and winning three matches out of seven was this year's wrestling team.

Through the combined efforts of Coach Berkich, Dr. Charles E. Haworth and Charlie Zeno, **Post-Dispatch** sports editor, wrestling was introduced into the PHS sports program.

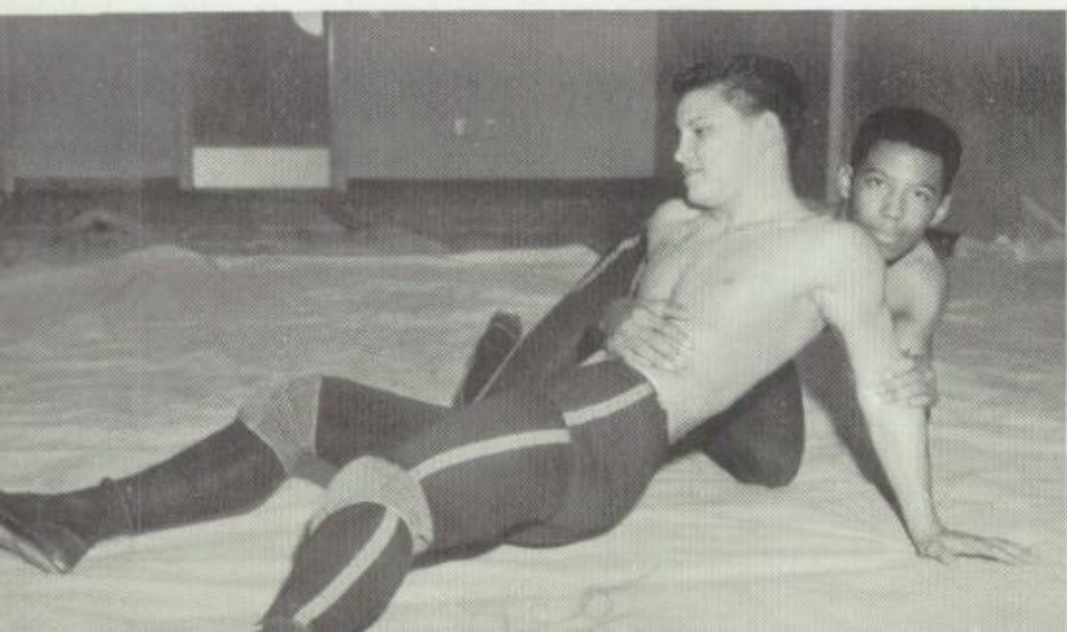

Establishing prominent records in wrestling this year were Frank Gutierrez, winning the 103-pound title and Carl Younger, who placed second in the 114-pound class. Both qualified to represent Pittsburg at the North Coast Section of the CIF wrestling tournament at Menlo-Atherton in February. Jess Delgado won two tournaments. John McCoy took six out of eight matches. Along with these boys, there is a good nucleus of boys coming back for next year's team.

To qualify for coaching wrestling at PHS, Coach Joe Berkich attended West Virginia University, where he wrestled as a heavyweight from 1950 to 1952.

Coach Berkich hopes that wrestling will grow to become one of Pittsburg's top sports. He calls it, "A terrific sport for terrific boys."

Baseball

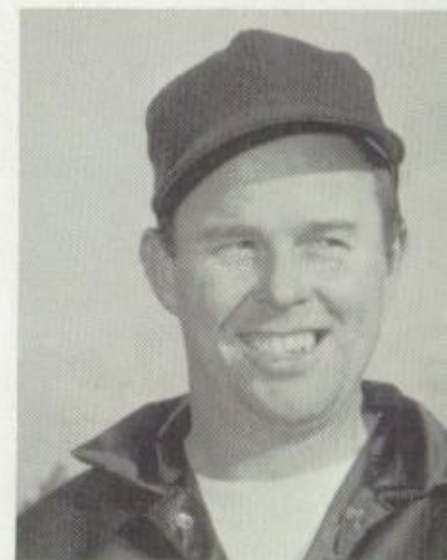

Coach Knap

Entering the season with six returning lettermen including two of last year's All-county players, was the 1958 varsity baseball team. Returning lettermen were Anthony Aiello, Richard Zocchi, Frank Cardinale, Pete Roa, Anthony Barraco, and Leon Watkins. Barraco and Watkins were back from among last year's All-county players.

When asked in mid March how this year's team shaped up, Coach Knap stated, "The team looks pretty good. If we can get a couple of come-through performances by our pitcher candidates and not be hit by any more injuries like those of Barraco and Roa, we'll be all right. Diablo will be strong, although Las Lomas will have the team."

This is Coach Tony Knap's ninth year as baseball coach. In 1952 the Pirates went through an undefeated season to become champs. In 1955 the Pirates also won the Shaugnessy Playoffs, which consisted of the four top teams of the league. This was the only year that the league operated under this system. The 1957 team was runner-up to Diablo high in league standings.

Varsity and "B" Track

Coach Macfarlane

Bidding a farewell as Pittsburg high's track coach, Coach Sterling Macfarlane will take over the task of principal of Pittsburg high in the fall of 1958. During the five years he has coached Pittsburg's track teams, the varsity team has won one county championship, has placed second for three years, and one year placed third. His light-weight teams have for five straight years won the county championship.

Coach Macfarlane's comments at the beginning of the track season were, "We are very thin in the A's in numbers. Although we have good individuals, we need a lot of entries to win. The B's could be the strongest team I've ever had here."

In the years he has coached here practically all of Pittsburg's records have been broken. The records still existing in the varsity are these: 440, Wiley McLane (1949), 50.7; shot-put, John H. Johnson (1949), 57' 4½"; the discus, John H. Johnson (1949) 148' 3"; and the mile, A. Azevedo (1930), 4:37.4. The "B" records not yet broken are the shot-put which stands at 55' 6½" made by Herk Pardi in 1938 and the 1320 made by Al Casillas (1952), 3:20.8.

Tennis and Golf

Coach Davis

Having started with two returning lettermen, Phil Lucking and Rudy Diokno, who also advanced to this year's County Send-off tournament, Coach Bill Davis hoped that his tennis team would give its opposition a hard battle. Others from last year's team were Norton Gonzalez and Sergio Tumbaga.

The netmen started off the season by beating Alhambra high, 4-2 and then by losing to Stagg high, Stockton, 10-1.

Assisting Coach Davis with the team this year was Coach Donald Inman.

In mid March, Coach Bill Kenney's golf team had not yet entered league competition, although meets were scheduled every Monday for nine consecutive weeks. On the team were two returning lettermen, Ken Kovacs and Joaquin Aiello, along with Anthony Siino, Paul Bruno, Bob Melendez, and Simone Billeci.

In every match, each opposing team has six boys. The best player is the number one man. At the end of the year each school sends its three best boys to the county play-offs for 18-hole games. The team with the lowest combined score wins the county title.

Claire Roybal was the thirteenth girl to be crowned Miss Pirateer at the annual affair this year. This memorable event occurred on February 28, with great success.

The nominating was conducted in a different way from that of recent years. Each club selected one girl to compete. The student body voted by secret ballot, and the five girls with the highest votes were chosen to be on the court.

Two of the girls on the court wore white gowns, and two of the girls wore pink. Miss Pirateer wore a white gown. She carried a bouquet of red roses, and her crown consisted of white stock.

Mr. Poe

Principal's Message

The time has again come to say good-bye to a class of graduating seniors. This year's graduation will be a graduation for both of us, you to go on to higher educational opportunities, to work, or to marriage, and I to a new district-wide responsibility.

This is always a time for an accounting. Have I done the best job of which I am capable? Have I been the kind of person who always held high the interests of others? Have I constantly maintained faith in my Lord, my family, my peers and myself? Have I been able to see my mistakes and to use these experiences in ways that help me progress in attitude and thinking?

Only **you** can answer these questions truthfully. Should you be able to answer in the affirmative you are well on your way to a happy, successful life. Should you have to answer in the negative it is not too late to change course and correct your faults.

This is your life! Make the most of it!

Gen Stamper, secretary

Libby Ambrosini, typist clerk

Mr. Conti resigned from the board when he moved out of the district. Mr. Joseph H. Billeci, who formerly was chairman of the board, was reappointed by the board to serve as a board member in Mr. Conti's seat.

Joseph H. Billeci

Board of Education

All through life there are "Moments to Remember", but there will probably be no other three-year span in which so much excitement and adventure will come your way as has been your experience during your senior high career. We are sure that there have been moments of happiness and moments of sadness, moments of exaltation and moments of disappointment, moments of a sense of achievement and moments of frustration. We hope that the moments of happiness, exaltation, and a sense of achievement are those that you will keep with you in memory.

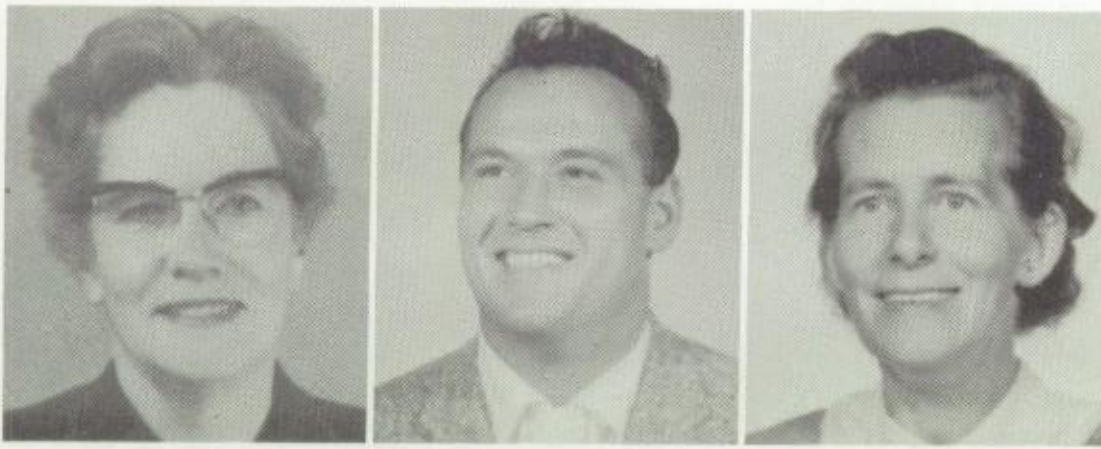

National and world affairs make us, as a nation, ponder and reassess the value of education. Political leaders, who have neglected education for many years, are now wanting miracles accomplished over-night. You can be proud that you have attended a high school that has long been concerned with these problems and has made every effort to provide you with a thorough and complete course of study in fundamentals in every field. You have been fortunate to have lived in a community that was not only able but willing to provide the best in buildings and equipment, and to have had a Board of Education that was dedicated to providing a thorough education for all pupils. You have been favored to have been able to study under a faculty, each member of which was competent, qualified, and sincere. If you took advantage of this opportunity, you will be well on your way to being prepared to serve your country well in the hour of need for well-trained young men and women.

Greetings and congratulations, then, Class of 1958. May your accomplishments in the years ahead match your fine record here, and give to all of us, in the "satellite" age ahead, many fine "Moments to Remember."

The job of our deans and counselors isn't an easy one by far.

The deans' most important job is general discipline of our students. Other duties of the deans include verification of all absentees and tardy slips, meeting with the counselors if necessary, and helping with extracurricular activities.

The counselors aid us in making the most of our abilities and overcoming weaknesses. They keep on file in their offices records of our aptitude tests which enable them to help us with our problems and make the most of our abilities.

Deans and counselors help us with our vocations as well as personal problems.

The library methods class was set up for the students who would have the advantage of having a class in the library. It emphasizes the improvement in reading ability, stimulation of reading interest, familiarity with a wide variety of books, and ability to do reference and research work in high school and later in college.

Mrs. Reed, Librarian.

Miss Olivia Hunsinger, the school nurse, has made efficient use of her thermometers and band-aids, ably assisted by Miss Lillian Nelson, her secretary.

Miss Hunsinger has been with the school system for thirty-three years. Her offices are in the health unit in the central administrative office for the Department of Health Services of the district.

Miss Hunsinger and Miss Nelson, along with Dr. Harold Geist, clinical psychologist, work wholeheartedly together to help the students.

All in all, the whole year proved to one of great service for the students, largely because of the help given by these able people.

Miss Nelson, Secretary; Miss Hunsinger, School Nurse.

Cafeteria

LEFT TO RIGHT: Jewel Anderson and her assistants.

Our cafeteria is a busy place during our ten-minute brunch-break. The cafeteria is not only used for brunch and lunchtime, but is also used for school dances, special dinners, and programs for our various school activities.

Mrs. Jewel Anderson has been the head cook for four and a half years in the Pittsburg Senior High School.

Mrs. Simson is the supervisor of all the cafeterias in Pittsburg. Satisfaction of both students and faculty is the goal of the cafeteria's personnel.

Mrs. CATHERINE SIMSON
Director of Cafeterias

Custodians

LEFT TO RIGHT: Joe Grillo, Ratzi Bonanno, day head custodian; Tom Di Mercurio, night head custodian; Grace Buffo, Shedo Lucido, Al Ragusa.

The Pittsburg High School custodians have a tremendous job which they do quite well. They constantly try to improve the appearance of our campus by keeping it neat and clean. The Senior Patrol has, to some extent, aided the custodians but their job still remains a busy one.

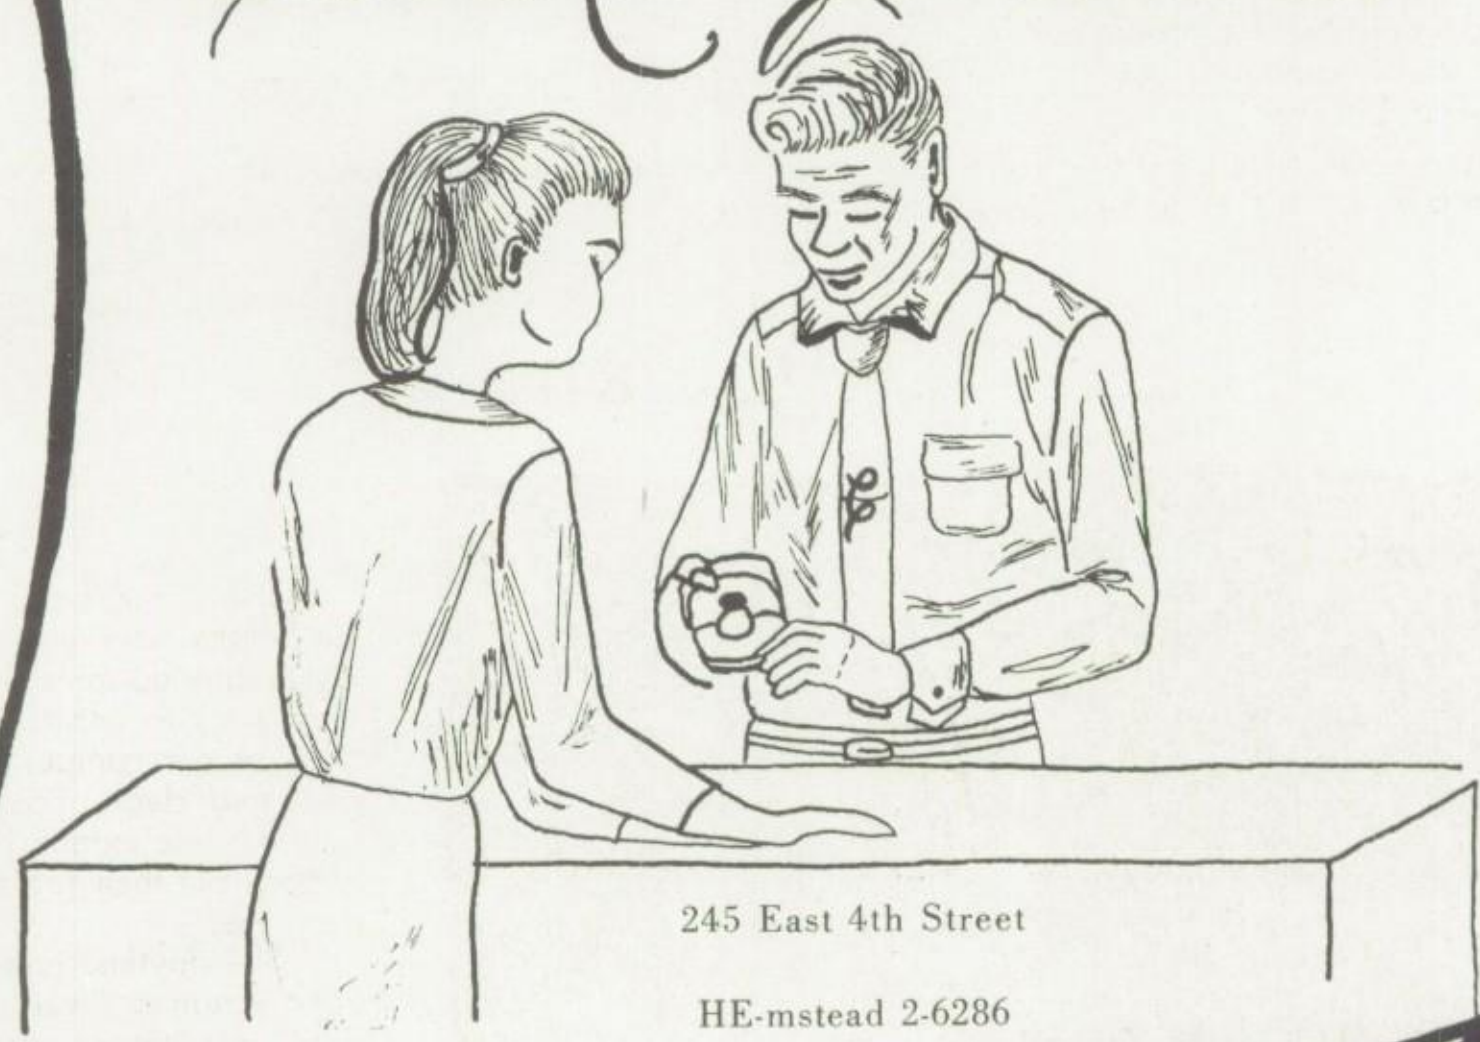

The daytime head custodian is Ratzi Bonanno. Needless to say, students may always see Ratzi and his assistants dusting, sweeping, or doing general clean up work. The nighttime head custodian is Tom DiMercurio, another hard worker.

Angela Cataldo phones a prospective advertiser as Rose Magas looks up another phone number. Late in the ad drive, the telephone became a major tool in securing ads.

Jodee Russell, one art editor, is drawing art work to be placed on an ad.

Mary Jane Bruno hands in the copy to Marietta Russo for an ad she sold, while Claire Roybal marks the space off on the progressive ad report page.

LOWER LEFT: Rose Magas draws the dummy page exactly as it will appear in the finished book.

LOWER RIGHT: Angela Cataldo, Dan Alfaro, Mrs. Gibbs and Marilyn Vagliente make final check of ads before mailing it to printer.

I am so happy you got to see me and now you are in places I can't go. Love Always, Mom, Dad, Ray, Sweet and
